Wudu Foot Wash Troughs - Single

Product Code: WUDU-1

These Wudu foot wash troughs are designed for the Islamic purification ritual of Wudu, making them ideal for Islamic faith schools or schools with a large number of Muslim students. Designed to accommodate one user at a time, these foot washing troughs are constructed from stainless steel for durability, hygiene, and ease of cleaning.

Each unit comes with a single time-flow push-button tap and a foot grid, which is hinged to allow for easy cleaning and a centre waste outlet.

Delivery

Height: 800mm
Depth (front to back): 480mm

Extras

Each stainless steel Wudu wash trough can be enhanced with the following extra products:

Foot stool
Stainless steel foot stool (single)
Height: 520mm
Width: 150mm

TMV3 Mixing valve

Thermostatic water mixing valves (TMV3) are designed to regulate the temperature of water before it is supplied to taps for hand-washing purposes. They are especially important in environments that cater to children and other vulnerable persons because they protect the user from scalding.

Related products

We also sell Wudu wash troughs for two and three people. They can also be made to order - please feel free to contact us to discuss your requirements.

Our range of handwashing products includes stainless steel trough sinks and solid surface wash troughs, as well as freestanding eight person and six person wash fountains. We also carry space-saving semicircular wash fountains, which can be installed against a wall for enhanced durability.

Needless to say, we can provide a complete range of school washroom fittings and appliances, from toilets, to urinals, to drinking fountains. If you'd like to talk to one of our friendly team about your school washroom requirements, give us a call. We'd be happy to help.
