Drinking Fountain Wall Mounted With WRAS Approved Tap (Non-Chilled)

Product Code: DFWH-WRAS

These stainless steel drinking fountains are a stylish, cost-effective way of keeping your pupils happy, healthy and hydrated throughout the school day. The rounded radius front means that the unit is completely free from sharp corners and edges, making it safe for use even in the busiest of school corridors.

Each stainless steel water fountain comes with a chrome-plated, WRAS-approved bubbler tap, which can be operated with ease by even the smallest of children, thanks to the soft-touch press button. Each unit also comes supplied with integral wall-fixing brackets, meaning that you can mount them at any height you desire, making these water fountains appropriate for students of all ages - from the tiniest toddlers to the lankiest sixth formers.

Delivery

Typically 2 to 3 working days
Next working day delivery available for orders placed before 11.30am (at extra cost to standard delivery)

Tech specs

Material: 1.6mm thick stainless steel (304 grade)
Width: 305mm
Depth (front to back): 350mm
Height (top to bottom): 150mm plus 75mm splashback
Tap: WRAS approved bubbler tap
Waste fitting: 32mm
To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void

Extras

You may also wish to add one of the following accessories to your stainless steel drinking fountain:

Traps
Plastic bottle trap (32mm)
Brass bottle trap, chrome-plated with chrome flange and waste pipe (32mm)

What is WRAS approval?

The WRAS (or the Water Regulations Advisory Scheme) is a way for manufacturers to demonstrate their compliance with the Water Supply (Water Fittings) Regulations 1999, which exist to prevent the waste, misuse and contamination of drinking water.

You'll be pleased to learn that many of the bubbler taps supplied with our drinking fountains are WRAS approved - peace of mind for any nursery, school, college or sixth form.

Related products

For a sturdier finish, we also sell shrouded and floor-standing drinking fountains. You may also wish to consider one of our recessed drinking fountains if space is at a premium.

If your pupils prefer refreshment on the go, you could install one of our stainless steel bottle fillers - or why not have the best of both worlds with a combined bottle filler drinking fountain?
