# WUDU Complete

Product Code: WUDUCOM

The Wudu complete ablution unit is manufactured from easy clean reinforced acrylic material for strength whilst remaining light. The built in stool and foot rests make performing ritual cleansing both easy and comfortable. The mixer tap has an extendable spray head for ease of use allowing the user to direct water where it is required. The Wudu complete unit is specifically designed for the Islamic purification ritual of Wudu, making them ideal for Islamic faith schools or schools with a large number of Muslim students. Designed to accommodate one user at a time the units are durable, hygienic, and easy to clean.

## Related products

We also have a ceramic Wudu basin unit with separate stool. We also sell stainless steel Wudu wash troughs for one, Wudu wash troughs for two and three people. They can also be made to order - please feel free to contact us to discuss your requirements.

Our range of handwashing products includes stainless steel trough sinks and solid surface wash troughs, as well as freestanding eight person and six person wash fountains. We also carry space-saving semicircular wash fountains, which can be installed against a wall for enhanced durability.

Needless to say, we can provide a complete range of school washroom fittings and appliances, from toilets, to urinals, to drinking fountains. If you'd like to talk to one of our friendly team about your school washroom requirements, give us a call. We'd be happy to help.
