Countertop Soap Dispenser With Small Bottle

Product Code: SD-DMS

This small capacity countertop mounted liquid soap dispenser is designed to be mounted with the soap bottle hidden below the countertop.

The countertop soap dispenser can be fitted into countertops up to 90mm thick and requires a 25mm diameter hole. The soap spout is 4 inches or 102mm long and rotates so that it can be positioned correctly or moved out of the way.

The smaller capacity 592ml bottle is ideal for smaller areas or where use is minimal. The soap container is filled from above by removing the soap valve with the special tool provided.
