Wudu Foot Wash Trough - Double

Product Code: WUDU-2

Our two person Wudu foot wash troughs are ideal for Muslim faith schools and schools or colleges with a high representation of Muslim pupils. Each unit can be used by two individuals at a time, and is designed for the ritual of Wudu - purification of the body before prayer.

These two person Wudu wash troughs are made from heavy duty stainless steel, which makes them hygienic, durable, and easy to clean and maintain. The unit comes complete with two individually operated push-button time-flow taps, and the foot grating can be easily lifted to aid with cleaning and a centre waste outlet.

Delivery

In stock 1 to 3 working days.- **Please note this item is delivered on a pallet.**

Tech specs

Material: stainless steel
Width: 1200mm
Height: 800mm
Depth (front to back): 480mm

Extras

You can also customise your 2 person Wudu foot wash trough with these accessories:

Foot stools
Stainless steel foot stool (pair)
Height: 520mm
Width: 150mm

We would also recommend the addition of TMV3 thermostatic mixing valves to ensure that water is delivered at a safe hand-washing temperature.

Related products

We also supply Wudu foot wash troughs in one person and three person designs. If you require a larger unit, we offer a bespoke manufacturing service - please get in touch to discuss your needs.

Our handwashing range also extends to solid surface handwash troughs, stainless steel trough sinks, and freestanding wash fountains.

We are also renowned for our school toilets and stainless steel urinals. We even sell a range of drinking fountains and bottle fillers, as well as janitorial fittings such as bucket sinks and Armitage Shanks Belfast sinks.
