

Hand Operated Bottle Filler

Product Code: HOB-18

This wall mounted bottle filling station is easy to use and is designed for water supply and waste connections through the back wall behind the unit.

Simple press button operation makes it easy to use whilst the bottle filling tray and waste fitting help prevent water getting onto the floors.

Give your pupils the opportunity to help fight the war on single use plastic bottles by refilling their own water bottles.

Delivery

From stock typically 1 to 2 working days
