

Wall Mounted Bottle Filler Fountain

Product Code: DFWH-CF

Forget expensive bottled water - your students can get refreshment on-the-go with our wall-mounted stainless steel bottle fillers. Manufactured from long-lasting, vandal-resistant stainless steel and with an elegant swan neck faucet, these bottle filling stations are operated via a push button, meaning they can be used by even the youngest of pupils.

These bottle filling stations come with integral wall-fixing brackets so you can mount them at an appropriate height for your pupils, making them perfect for nurseries, junior schools, secondary schools, sixth forms and colleges. They're also designed without sharp corners or edges, so they're safe for use even in high traffic areas of your school.

Delivery

Typically 2 to 3 working days

Next working day delivery available for orders placed before 11.30am (at extra cost to standard delivery)

Tech specs

Material: 1.6mm thick stainless steel (304 grade)

Width: 305mm

Depth (front to back): 350mm

Height (top to bottom): 150mm plus 75mm splashback

Faucet: [225mm swan neck](#)

Waste fitting: 32mm

To ensure the proper functioning and longevity of this unit, a Y-strainer must be installed as part of the water supply system. The Y-strainer is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer will result in the warranty being void

Extras

You can also customise your stainless steel bottle filler with the following accessories:

Traps

[Plastic bottle trap \(32mm\)](#)

[Brass bottle trap, chrome-plated with chrome flange and waste pipe \(32mm\)](#)
