

Wall Mounted Shrouded Bottle Filling Station

Product Code: DFWHS-CF

A bottle filling station makes a cost-effective, eco-friendly alternative to bottled water. These shrouded bottle fillers are designed to protect your pipework from knocks, making them suitable for even the busiest areas of your school, sixth form or college - even gyms, sports halls and playgrounds.

When it comes to maintenance, the shroud has a removable base plate for easy access.

Each shrouded bottle filler has a graceful swan neck for easy filling, as well as an ergonomic press-button valve and a 32mm waste fitting. The unit can be mounted to a wall at any height you desire making it adaptable for users of all ages and heights.
