No Touch Foot Operated Bottle Filler

Product Code: FOBF-18F

Our no-touch foot operated bottle filler provides point of use bottle filling. The no-touch operation makes the unit very hygienic and easy for users to operate.

The bottle filler is wall mounted with a foot pedal on the floor and a telescopic shroud to conceal the connecting pipework.

Delivery

In stock usually 2 to 3 working days

Tech Spec

Body Size

Height: 749mm

Width: 464mm

Front to back: 124mm

Bottle filler tray 187mm front to back

To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void
