Outdoor Pedestal Bottle Filler With Drinking Fountain (Non-Chilled)

Product Code: GYM

These outdoor pedestal bottle fillers also have a drinking fountain mounted on an arm so that they are accessible by wheelchair users. Both the bottle filler and drinking fountain are operated with separate push buttons. The recess for bottle filling is large enough to accommodate large refillable water bottles.

Heavy duty construction for outdoor use with mounting plate to bolt down to your concrete base. Green powder coated finish in stock usually help in stock with other colours available to order in 14 to 16 weeks lead time.

Delivery

Green in stock 2 to 3 working days
Other colours and options to order usually 14 to 16 working weeks

Tech Specs

Diameter: Main body 330mm
Height 1016mm
Width: 762mm

2mm heavy duty stainless steel construction
Resistant to sunlight, heat and moisture
Push button activated bottle filler
Push button activated drinking water tap
Requires 6 x AA batteries
ADA compliant for wheelchair users
To ensure the proper functioning and longevity of this unit, a Y-strainer or filter must be installed as part of the water supply system. The Y-strainer / filter is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer or filter will result in the warranty being void

Please ensure that these are drained down and isolated in cold weather to avoid damage to the bubbler

Compliant Regulations

WRAS approved and compliant internal water fittings
Full approval details for your Water Board are downloadable here
