Swan Neck Cup And Filler

Product Code: RUB-BOTTLEFILLER

Chrome plated brass swan neck bottle and cup filler. WRAS approved to comply with local authority by-laws. For use with our drinking fountains and bottle filling fountains or as a replacement for your own drinking fountains.

Press button on off operation prevents waste of water and the high neck spout allows bottles and cups to be easily filled.

Delivery

Typically 2 to 3 working days

Tech specs

Push button to dispense drinking water
1/2" BSP tail
1/2" BSP brass back nut and rubber washer
22mm Tap hole required
Replacement cartridge available see RUB-CARTRIDGE
To ensure the proper functioning and longevity of this unit, a Y-strainer must be installed as part of the water supply system. The Y-strainer is essential for protecting the internal components and maintaining the correct flow characteristics of the tap. Failure to install a Y-strainer will result in the warranty being void
