China Belfast Sinks

Product Code: ASH-BS

The Belfast sinks are available without legs and wall brackets for mounting on a base cupboard unit (supplied by others). Manufactured from white fireclay, these sinks are available in two standard sizes and include a weir type built-in overflow to prevent flooding. The many uses of the classic Belfast sinks make them perfect for any school, nursery, sixth form or college.

Unlike most of our competitors, our Armitage Shanks Belfast sink comes with a 38mm slotted waste fitting, as well as a chain, chainstay and plug - at no extra cost.

Due to the manufacturing process of these Belfast sinks, the size of each unit may vary slightly - which is part of their unique charm. We also sell a range of complementary taps and waste traps.

Delivery

Typically 7 to 10 working days

Tech specs
