

## Butlers Sinks in Two Sizes With Legs Brackets and Waste

Product Code: ASH-BSLB

The Belfast sink is an iconic piece of British design. Crafted from white fireclay, these sinks are available in two standard sizes and come with a built-in overflow to safeguard against flooding. The timeless and elegant appearance of the Belfast sink makes it perfect for any school, nursery, sixth form or college.

Unlike most of our competitors, our Armitage Shanks Belfast sink comes with front support legs, bearers, and a 38mm slotted waste fitting, as well as a chain, chainstay and plug - at no extra cost. The time-honoured manufacturing process of these Belfast sinks means that the size of each unit may vary slightly - which is part of their unique charm. We also sell a range of complementary taps and waste traps.

### Delivery

Typically 7 to 10 working days
