

Stainless Steel Belfast Sink

Product Code: SSBS

This unit combines the stylish looks and practicality of a classic Belfast sink with a stainless steel construction for added ruggedness and durability, making it robust enough for use in any preschool, junior school, secondary school, college or sixth form.

This stainless steel Belfast sink comes with predrilled tap holes and a 38mm waste fitting, as well as an overflow, plug and chain. The unit also has an integrated box section support frame and stainless steel legs for extra stability. We also sell a variety of matching taps and waste traps.
