

Cleaners Bucket Sink Wall Mounted

Product Code: BSWM

When it comes to school washrooms, hygiene is paramount. Now you can give your cleaner an easy life with this stainless steel wall mounted bucket sink. Constructed from hardwearing 304-grade stainless steel, these bucket sinks are designed to withstand the rigours of school life, as well as being easy to clean and maintain. The compact size of this unit means that it will fit discretely into any cleaner's cupboard.

Each bucket sink comes with a built-in splashback to help protect your walls from splashes and spills, as well as a removable stainless steel grating which can be used for wringing out mops, or as a stand for filling up buckets. The unit comes complete with wall fixing brackets and a 38mm waste fitting. We also sell a range of matching taps and waste traps.
