

Cleaners Sink With Removable Grating

Product Code: BSRG

Our bucket sink with removable grating is constructed from heavy duty stainless steel to bring you unbeatable durability and ease of maintenance. Designed with flexibility in mind, these cleaners' bucket sinks come with a removable stainless steel grating, which means that the unit can be used for filling buckets, wringing out mops, or as a utility sink. The unit also comes with a wall fixing bracket and front support legs ensuring a robust installation.

The integrated splashback on this grated bucket sink will protect the walls of your school from water damage, while the free overflow tube safeguards against flooding. The unit comes with a 38mm waste and can be customised with any of our range of waste traps and taps.

Delivery

Typically 1 to 2 working days
