## Cleaners Sinks With Longer Legs

Product Code: SSP-SSCS

Stainless steel cleaners sink manufactured from robust 1.2mm thick material for vandal resistance and durability.

The cleaners sink comes complete with a hinged bucket grating to aid with filling mop buckets, a 38mm waste fitting with overflow and longer stainless steel front support legs with adjustable feet giving a height of 700mm to top of sink. The longer legs make the cleaners sink easier to use if its main function is not filling buckets. The longer legs can be cut down on site for lower application

The cleaners sink screws to the back wall and is supported from the floor by the front legs.
