# Janitorial Combined Sink Unit

Product Code: JANSS

Our all-in-one janitorial sink unit is the ultimate school cleaning solution. Built from a hard-wearing satin-finished stainless steel, the unit combines a mop bucket sink (complete with removable bucket stand) and a handwash unit, which comes with a turn wheel operated swivel nozzle mixer tap.

This versatile janitorial sink unit can be used for filling up buckets, wringing mops, and general cleaning tasks, while the integrated handwash sink allows your janitorial staff maintain the highest standards of hygiene. The unit comes complete with sturdy support legs (both front and rear), and two 38mm waste fittings.
