

Janitorial Unit

Product Code: JAN

Our stainless steel janitorial unit offers an ideal school cleaners solution. Manufactured from stainless steel, the unit incorporates a cleaners sink (complete with removable bucket grating) and a hand washing basin, which comes with a lever operated swivel nozzle mixer tap.

This combined janitorial unit offers a multi-purpose sink that can be utilised for filling and emptying of mop and cleaning buckets, whilst the hand wash sink allows the operator to clean their hands and maintain the highest standards of hygiene. The unit comes complete with sturdy support legs (both front and rear), and two 38mm waste fittings.

Delivery

Typically 2 to 3 working days
