Washware Alder Style Cleaners Sink 515mm

Product Code: SHA-CHB

This Alder style cleaners sink offers a lower cost equivalent to the Armitage Shanks Alder cleaner's sinks, and makes it the perfect choice when you are looking for a practical high back fireclay janitorial sink in a white finish. Designed to withstand heavy use associated with schools the sink is acid and alkali resistant, with an antibacterial glazed surface. It comes complete with a stainless steel bucket grating, pre-drilled fixing holes, and a 1 1/2-inch waste outlet hole.

The Alder style cleaners sink is a direct equivalent to the Alder sink in every way, including quality, and is manufactured from heavy duty white fireclay and can be supplied with legs, brackets, taps and a waste fitting if desired.

The 305mm high splashback will help protect your walls from spills and splashes, the hinged grating will aid filling buckets and can be lifted out of the way when not in use.

Delivery

Typically 7 - 10 working days
