

Floor Standing Slab Urinal

Product Code: FSS

Constructed from heavy duty stainless steel, our floor standing slab urinals are built to last. As well as being simple to install and maintain, they're also highly resistant to vandalism and accidental damage, making them suitable for any school, sixth form or college. And that's not all: each urinal now comes complete with a matching plastic auto-flushing cistern at no extra cost.

Floor standing for durability, our slab urinals come in five standard lengths, or alternatively can be made to measure in any length up to 3300mm. The pipework is hidden behind a front fascia which can be easily removed for maintenance purposes. Each unit comes with a 38mm centre waste fitting.
