

## Back Entry Bowl Urinals Stainless Steel

Product Code: SSBU-BE

Stainless Steel Wall-Hung Bowl Urinal – Ideal for School Toilets

Designed for high-traffic environments like schools and educational facilities, our stainless steel back-entry wall-hung bowl urinal offers a tough, hygienic, and vandal-resistant solution for pupil and staff washrooms. Manufactured from 1.2mm thick, bacteriostatic 304 stainless steel with a satin polished finish, this rimless bowl urinal is built to stand up to daily use while remaining easy to clean and maintain.

With a rear water inlet and fully concealed waste pipework, the unit provides a neat, tamper-proof installation. A stainless steel mounting frame with front fixing and TORX anti-theft security screws make fitting quick and secure—perfect for school maintenance teams.

### Delivery

In Stock 1 - 3 days.
