

Stainless Steel Square Bowl Urinals

Product Code: SSP-SQBU

Our individual square bowl urinals are designed to offer a robust alternative to easily damaged china bowl urinals. They offer a popular choice for many schools looking to offer individual urinal stalls, whilst minimising the risk of vandalism and expensive repairs. Supplied complete with stainless steel cisterns and pipework they are ready to install as a complete vandal resistant package.

Available to order complete in sets of one to four urinals supplied by a single cistern with connecting pipework. They can be wall mounted at any height to suit the age of your pupils. Stainless steel divider screens can be supplied to aid user privacy.
