Biodrier Biolite High Speed Hand Dryer

Product Code: BIO-LITE

The Biodrier Biolite hand dryer is operated with no touch sensors and has a heating element that can be turned off during warmer weather to save energy consumption.

The small compact design has an easily cleaned aluminium cover with a white, silver or chrome finish.

The low energy consumption with switchable heating element ensures a greater energy saving over traditional hand dryers making the Biolite a popular choice for school site managers.

Cool blue LED lights guide the user's hands to the airflow giving an enhanced user experience.
