Foam Soap Dispenser - Satin Finish Stainless Steel

Product Code: J-SFSD

A stylish and modern refillable foam soap dispenser. With a high quality stainless steel finish, this compact refillable foam soap dispenser is perfect to bring a modern look to your school or college toilets. The unit is lockable with a push button operation and has level indicators on both sides.

Foam soap dispensers use aerosolized liquid soaps dispensed through a special pump mechanism, this method uses a lot less soap than traditional soap dispensers.
