Automatic No Touch Soap Dispensers

Product Code: SDA

Wall mounted stainless steel automatic soap dispenser. Infrared sensor operation works when the users hands are placed underneath the soap dispenser and a shot of soap is dispensed.

It has a refillable plastic soap container with a hinged lockable housing. All exposed metal surfaces are polished to a satin finish.

The dispenser can be used for liquid soap, alcohol gel, liquid alcohol, hand sanitisers and iodine.

Delivery

Typically 1 to 2 working days
