Circular Countertop Waste Chute

Product Code: WWE-1000

A satin finished waste chute that is designed to fit into a countertop with a waste container (not supplied) positioned under the countertop. Ideally suited for commercial catering as well as other applications.

These provide a clean and hygienic means to dispose of waste. Popular in tea and coffee stations to dispose sachets and tea bags cleanly.

This waste chute requires a 143mm diameter hole for fitting.

Tech Spec

Material: Grade 304 stainless steel
Diameter: 171mm top, 143mm bottom, 4mm raised countertop profile
Depth: 121mm

Related products

We also supply a large 204mm diameter stainless steel countertop waste chute.
