Adult Height Floor Standing Round Wash Basin

Product Code: FRWB-A

This stainless steel floor standing wash basin has a rounded front for safety and is manufactured from stainless steel to ensure it will stand up to heavy duty everyday use.

The hand wash basins are supplied with either a pair 22mm pre-drilled tap holes or a single 35mm tap hole to the left or right hand side. Supplied with two concealed wall brackets, top fixing holes and a 32mm flush grated waste fitting (no plug, chain or overflow.)

The full height shroud will conceal the plumbing and waste pipework for easy cleaning and to prevent pipework being damaged.

The wash basin is recommended for many applications including schools, colleges and public buildings.
