Portable Wash Basin - Foot Pump Operated

Product Code: WBSH-PUMP

The pump operated portable wash basin provides on site hand washing in areas where there is no mains water supply and no waste water connections.

Supplied with a manual foot pump (no electric required) and a 10 litre fresh water container and 10 litre waste water container the portable wash basin can be placed exactly where it is needed. Easily moved the hand wash basin is mounted on four wheels with two of the wheels supplied with brakes to ensure it doesn't move when sited.

Ideal for school sports days, visitor days and any occasion that requires temporary on site hand washing.

Delivery

Typically 1 to 2 working days
