Inset Wash Basin

Product Code: WBIN385

This stainless steel inset wash bowl is manufactured in one-piece and is supplied with two pre-drilled tap holes.

The inset basin is designed for mounting into worktops up to 50mm thick, and comes supplied complete with 32mm waste, overflow, plug, chain and fixing toggles.

The inset basins are ideal for keeping the taps located on the sink bowl rather than the worktop.

Delivery

Typically 1 to 2 working days

Tech Spec

External diameter: 385mm
Depth: 160mm
