Stainless Steel Inset Wash Basin With Sensor Tap

Product Code: WBIN385IRT

These larger stainless steel inset wash bowls are a larger 385mm diameter and are supplied with an infra red sensor tap for no touch hand washing. No touch hand washing offers a much more hygienic wash without the need to turn the taps off after washing your hands.

The infra red sensor tap can be supplied either with mains or battery power supply.

Delivery

From stock typically 1 to 2 working days
