

Stainless Steel Inset Wash Basin

Product Code: INSETWB

This inset wash basin is manufactured in one-piece from stainless steel and is supplied with two pre-drilled tap holes.

Designed for mounting into worktops up to 50mm thick, and is supplied with a 32mm flush grated waste fitting (no overflow, plug or chain).

This inset basin incorporates the tap holes within the basin to help prevent water on the worktop and allows hand washing under running water.

Delivery

Typically 1 to 2 working days
