

Monobloc Mixer Laboratory Tap

Product Code: ARB-MLBTAP

Monobloc mixer laboratory tap with a swivel swan neck and aerator nozzle. The aerator allows air into the water to provide a softer flow and eliminate splash back. This hard wearing tap is great for schools and laboratories.

This tap has a solid brass body and swan neck, it is coated in Ral 9016 white Rilsan plastic, with ABS grey rotating handwheels.

Delivery

From stock usually 3 to 5 working days
