GreasePak Dosing System

Product Code: MCL-GP

The GreasePak dosing units are designed to automatically deliver a daily dose of bio-fluid straight into your drain or into a grease interceptor. The bio-fluid formula degrades fats, oils and grease (FOGs) into smaller molecules that helps prevent them reforming or solidifying and blocking your drains. GreasePak helps to reduce fat build-up and bad odours. GreasePak bio-fluid is an environmentally friendly class 1 biodegradable product.

Delivery

From stock typically 2 to 3 working days

Tech Spec

Compact auto dosing system that is easy to install
