
GRP Wall Mounted Wash Trough 2100mm

Product Code: GRP-WT21

Fibreglass trough sinks are manufactured from glass reinforced plastic (GRP). The 2100mm long fibreglass wash trough is suitable for three or four users and has a white smooth gloss gel coat finish. The fibreglass smooth gel coat finish is easy to clean with soap and water and is resistant to acid and alkali concentrations under normal use. The smooth round curves of the product aid cleaning and the build up of dirt. No harsh chemicals are required for cleaning just soap and water.

Delivery

Typically 2 to 3 working days

Tech specs

Material: GRP (fibreglass)
Colour: White
Finish: Smooth gel coat finish
Standard length: 2100mm (usually for three or four users)
Depth (front to back): 395mm
Trough depth: 450mm with tap deck (140mm deep bowl)
