GRP Bowl Urinal

Product Code: GRP-BU

GRP Waterless Bowl Urinal

Product code WBU

Our bowl urinals are manufactured from GRP material, which is a lightweight, durable material with a smooth gloss gel-coat finish. The waterless bowl urinal has smooth rounded curves making it easy to clean and very low maintenance, the material is resistant to staining and acid / alkali concentrations during normal use.

- GRP material.
- Supplied in gloss white as standard.
- Supplied complete with a waterless cartridge waste.
- Exposed waste outlet.
- Easy to install and suitable for all washrooms.
- Also available in a wide range of different colours on special order for extra cost.

Waterless Cartridge

The waterless cartridge sanitises & freshens to help prevent foul odours, this protects the environment and improves the whole washroom experience for all staff and users. The waterless cartridge Incorporates 35 BILLION bacteria and releases 3-500,000 bacteria every day. The bacteria multiply every 15-20 minutes, building vast colonies within the waste pipe work which destroys uric salts and lime scale.

Delivery
