8 User Wash Fountain With Taps

Product Code: INWF-8

The new eight user wash fountains are supplied with 8 x press button time flow taps and are suitable for communal washing ares in schools and colleges. The practical space-saving design offers handwashing for up to 8 users at a time and is supplied fully assembled ready to connect to your water supply and waste pipework.

This wash fountain for eight people comes with eight press button time flow taps, a pre-installed waste fitting and 4 x integral soap dispensers, and requires no assembly - simply connect to your existing plumbing, and you'll be ready to go.

Delivery

Typically, 2 to 3 working days

Tech specs

Material: stainless steel
Width: 1130mm
Height: 850mm

Water Controls

Hand operated - 8 x press button time flow taps

Extras

Your eight-person handwash station can also be supplied with the following accessories:

Mixing valve
We always recommend the installation of thermostatic water mixing valve (TMV3). These valves work by combining hot and cold water to a predetermined temperature, protecting your students from the danger of scalding and ensuring a pleasant temperature for handwashing.

Related products

For busier washrooms, we also sell an eight-person wash fountain, while our semicircular wash fountains are ideal for schools where space is limited. We sell a wide range of other handwash fittings, including stainless steel trough sinks and solid surface wash troughs.
