

Stainless Steel Shower Panel - Press Button

Product Code: SHPAN-PB

This wall-mounted, heavy-duty, stainless steel shower panel is built for heavy use and easy upkeep. Perfect for schools, sports centres, prisons, mental health units, and other public facilities.

The shower panel has a tamper-resistant push-button that will operate the water flow for 15–25 seconds, helping save water. The shower head is tamper resistant and anti-ligature. The shower panel is used in a lot of changing rooms and sports centres and offers a better cleaner alternative to exposed valves and pipes.

Delivery

From stock typically 1 to 2 working day

Tech Specs
