

## Floor Standing Chilled Drinking Fountain

Product Code: ANMX308

### Chilled Floor Standing Drinking Fountain for Schools

Our Floor Standing Chilled Drinking Fountain is designed with schools in mind, offering a practical and eco-friendly solution to keep students and staff hydrated. This unit provides chilled water directly from your mains supply, eliminating the need for bottled water. With its sturdy construction and user-friendly design, it's perfect for high-traffic areas like school hallways, cafeterias, and gymnasiums. Plus, the integrated chlorine-based filter ensures fresh, clean water with every use.

### Delivery

Standard delivery in 1 -3 working days from stock.

### Key Features & Benefits

Chilled Water on Demand: Delivers 25L/hr of water at a refreshing 8-12°C, perfect for busy schools  
Durable & Robust Design: Built to last with 1.2mm thick grade 304 stainless steel, designed for high usage  
Eco-Friendly: Helps reduce plastic waste by providing a direct mains-fed water source  
Chlorine-Based Water Filter: Ensures clean, fresh-tasting water  
Easy Maintenance: Front access panel allows for quick filter changes and routine upkeep.

### What's Included

Chlorine-based water filter: To ensure clean, fresh-tasting water
