Close Coupled Toilet - Stainless Steel

Product Code: CCTSS

The stainless steel close coupled toilet and cistern is a premium, all-in-one stainless steel toilet solution ideal for school and educational washrooms. Designed for durability, hygiene, and vandal resistance, this unit is made from high-quality grade 304 bacteriostatic stainless steel — perfect for busy environments where safety and long-term reliability matter most.

With its compact design and attached cistern, the close coupled toilet is easy to install and maintain, making it a practical choice for both new builds and refurbishments. Its smooth, seamless finish ensures easy cleaning and excellent resistance to misuse, making it particularly suitable for secondary schools, academies, and special educational needs (SEN) facilities.

Choose a product that meets the demands of daily school life while supporting cleanliness, efficiency, and user safety.

Delivery

From stock typically 1 to 2 working days
