

Top Entry Bowl Urinals - Stainless Steel

Product Code: SSBU-TE

Stainless Steel Top Entry Wall-Hung Bowl Urinals – Ideal for School Toilets

Our top entry stainless steel urinal bowls are the perfect choice for busy school washrooms. Constructed from 1.2mm thick, bacteriostatic grade 304 stainless steel with a satin polished finish, these urinals are designed for durability, ease of cleaning, and resistance to vandalism.

With a top-entry exposed water inlet, installation is straightforward and can be completed quickly from the front. The stainless steel mounting frame includes TORX anti-theft screws for added security, ensuring that the urinals stay securely in place in high-traffic areas. The waste outlet can be installed either through the back wall or the bottom of the bowl, providing flexibility for different washroom configurations.

Delivery

In Stock 1 - 3 days.
