300mm Projection Wall Hung Stainless Steel Urinal

Product Code: UC-300

Durable Stainless Steel Trough Urinal – Safer, Cleaner School Washrooms

Designed specifically for the rigours of the school environment, our wall-hung stainless steel trough urinal features a wider 300mm deep bowl to better contain splashes and reduce water on the floor – making your school washrooms safer and easier to maintain.

With five length options – 1200mm, 1500mm, 1800mm, 2000mm, and 2400mm – this robust urinal includes a central 2" waste outlet, plastic cistern, and a stainless steel downpipe, ensuring long-lasting performance and easy installation. A practical choice for schools prioritising hygiene, safety, and durability in student facilities.
