

Accessible Drinking Fountain With Bottle Filler - (Non Chilled)

Product Code: ACC-DFBF

Accessible Drinking Fountain with Sensor Bottle Filler (Non-Chilled)

Our Accessible Drinking Fountain with Sensor Bottle Filler (Non-Chilled) is a premium, wall-mounted hydration solution designed to meet the needs of modern educational environments, fitness centres, and workplaces. Manufactured from durable 304 stainless steel, this unit ensures long-lasting performance and ease of maintenance. The non-chilled version offers an affordable alternative to our chilled models while still providing fresh, clean drinking water.

This product combines a user-friendly drinking fountain with a sensor-operated bottle filling station. Positioned above the fountain, the bottle filler offers fast, touch-free operation, drawing from the mains water supply to ensure consistent hydration with minimal user contact.

With DDA-compliant accessibility, this model is perfect for both wheelchair users and able-bodied individuals. It's a practical, hygienic solution for any high-traffic area needing both a drinking point and bottle refilling station.

Key Features & Benefits

DDA-Compliant: Designed for accessibility, offering comfortable use for both wheelchair and standing users

Durable Construction: Made with high-quality 304 stainless steel for excellent strength and resistance to corrosion

Hands-Free Operation: The sensor-activated bottle filler ensures a touch-free experience, promoting hygiene

Hygienic Design: Features an antimicrobial bubbler and a stainless steel backsplash

Efficient Bottle Filling: The bottle filler delivers a flow rate of 3.79 litres per minute

Mains-Fed System: No need for regular bottle changes, ensuring a constant water supply

Non-Chilled Option: This version uses unchilled mains water, offering a cost-effective alternative

Supplied With

- Anti-microbial bubbler valve with flexible non-splash guard
- Pre-installed plumbing, including Y-strainer and flow regulator
- 32mm waste outlet connection
- Pre-wired transformer for bottle filling unit

Delivery Information

- Fast Dispatch: In stock for immediate shipping.
- Standard Delivery: 1 to 3 working days
