Inline 10 Inch Water Filter

Product Code: IN-WF

Inline Water Filter – 10 Inch Body.

This 10 Inch Inline Water Filter provides an effective and low-profile way to enhance water quality in school and commercial environments. Designed for installation beneath drinking fountains, bottle fillers, or sinks, it fits neatly into existing pipework using 15mm push-fit connections. The filter operates directly from the mains supply and offers reliable, certified filtration without the need for additional taps or dispensers.

Delivery

Available from stock
Standard delivery: 1–2 working days
